

Make Use of the Open Club Days

Last summer we began a new policy of having the clubhouse open and available for member use on all Sundays. We will continue this policy this summer beginning on May 30. On Open Club Days, the clubhouse will be open (from mid morning until sunset) and the kitchen, restrooms, and gas grills will be available for members to use. Hopefully members will continue to avail themselves of this opportunity to enjoy the club and the river.

Keep in mind that even on days when the clubhouse is not open members are welcome to use the clubhouse property, decks, screened porch, and bathhouse facilities. Members are asked to respect the privacy of rental groups on days when the club is rented however.

For 2010, open club days will be every Sunday from May 30 through August 29, with the exception of August 8th during the Governor's Cup event.
